Dissertation

**Examination (pg. 14 of RCI guidelines)**

The examination will be held in two parts (Part - I and Part - II). Part -I is held at the end of first year and Part II is held at the end of second year. A candidate will not be allowed to take the Part II examination unless he/she has passed the Part I examination.

A candidate who has not appeared or failed in Part - I of the regular examination may be allowed to continue the course for the II year and be allowed to take the supplementary Part - I examination.

A minimum period of three months additional training shall be necessary before appearing for the examination in case he/she fails to clear Part - I and/or Part - II examination.

A candidate has to complete the course successfully within a period of four years from the year of admission to the course.

No candidate shall be permitted to appear either of Part - I or II examination more than three times.

**Appearance for each examination (pg. 18 of RCI guidelines)**

A candidate shall appear for all the Groups of Part - I and Part - II examination when appearing for the first time.

A candidate in Part - I and Part - II, failing in any of the "Group-A" subjects (theory papers) has to appear again in all the "Group-A" subjects.

A candidate in Part - I, failing in "Group-B" has to resubmit five full-length Psychodiagnostic Records/ Case records..

A candidate in Part - II, failing in "Group-B" has to resubmit five fully worked-out Psychotherapeutic Records (only applicable to Clinical psychology).

A candidate in Part - II, failing in "Group-C" i.e. dissertation, has to reappear/resubmit the dissertation as asked for and/or outlined by the examiners.

Marks obtained by the candidate earlier in internal assessment, case reports, case records, therapy reports and dissertation shall be carried over for determining his/her results.

**Scheme of examination -**

**Board of Examination (pg. 17 of RCI guidelines)**

1. There will be four examiners, two internals and two externals. The chairman of the board of examiners will be the head of the Department of clinical Psychology who will also be an internal examiner. Two examiners, one internal & one external, shall evaluate each theory paper and dissertation. Two examiners, of whom one shall be external, will conduct the practical/clinical and vivo-voce examination. (Item 4.13 pg. 17 of RCI guidelines)
2. The examination will consist of written, oral and practical/clinical. The examination of M. Phil. Part I will be held after the candidate has

successfully completed the course of 12 months. M. Phil. Part I consists of three papers and oral viva.

3. Internal Assessment -In each paper 30% marks (in case of clinical psychology) & 20% marks (in case of PSW) will be determined on the basis of written/clinical exams, viva-voce and supervised clinical work. These marks will be added to the marks allocated to the respective subjects in the yearly final examinations. The results of the final examinations will be declared on the basis of the total so obtained. The guidelines for allotting the internal marks may be prepared by the institution concerned. ( pg. 13 of RCI guidelines)
4. The candidate who has successfully completed the course of another 12 months and who has passed the examination of M. Phil. Part I will be eligible to appear in the examination of M. Phil. Part II.
